

Scholarship

This scholarship is administered by the Hicksville Chamber of Commerce. The purpose of this scholarship will be to financially assist a male and female graduating Hicksville High School senior who will be pursuing a degree in business. The amount of each scholarship will be \$500 awarded for the first semester of the freshman year and be made payable to the college or university of attendance.

Eligibility:

Any Hicksville High School graduate who is entering into an accredited college or university the fall session immediately following graduation for a business related profession is eligible.

The applicant must have a minimum grade point average of 3.00.

The applicant must submit a type written application with an official transcript by April 12th.

Selection:

A committee will review the applications along with the official transcripts anonymously, selecting the top 3 female and top 3 male applicants. The top applicants will then be interviewed to determine the recipient of the scholarship.

5. List and explain your long-term goals and how this degree can help you obtain those goals.

6. How do you plan to finance your further education?

7. List 2 references with one of them being a high school teacher or guidance counselor who is willing to recommend you for a scholarship.
